Russ, October 13 is on Thursday. Is this item for the regular meeting October 11 or 18, 2022? I will get this item added as soon as I hear from you.

Thanks.

Marsha,

I would like to add an agenda item for Oct 13th to discuss adding the MSC as an early voting location next year and in the future. I understand from Bruce that changing for November would effect other Cities and entities.

Please tell me if you need more info.

Hello,

My name is Maggie and I am writing on behalf of a coalition of Texas A&M and community organizations committed to recovering the MSC as an early voting location. I am following up on the phone call I had earlier.

We are planning on having folks come out and testify on September 13th, and are requesting that this agenda item (recovering the MSC as an early voting location) be placed on the agenda for September 13th.

Please let me know if there is anything else I can provide and thank you so much.

Best,

Maggie DiSanza
