He reiterated that the Court does not want a landfill in Brazos County but this process is the only option that gives the Court control in where a landfill would be located, should the issue ever arise.

Commissioner Brown expressed concern about the expense of taking responsibility of the Parking Garage. Judge Peters reiterated his opinion that it is in the best interest of the County to assume control of the Parking Garage that provides essential County functions. Commissioner Watson clarified that the Parking Garage is not a for-profit building but it is a County building that serves the operations of the County. The Court entered into further discussion on the matter with Commissioner Watson noting that the County has been able to utilize a building that it did not have to fund the construction of

and now the County will have control of the building to continue using for the functions of the County. - 7 days ago our own cyber expert, Dr. D stood before you and told this governing body that our Election Administrator was mistaken ... over 2500 individual pages, front and back, totaling over 5000 pages containing voter selections in the 2020 general election were missing from the CVR data.
- I heard a Thank you from this body. What I did not hear was a publicly made response that this matter, acknowledging that this situation would be investigated because this body, values election security.
- I and many others have spoken about the status of maintenance of our own voter rolls. We found duplicate listed voters and deceased voters that remain on the list with active status's.
- What has been the response from this governing body.... Silence or words of encouragement to our election officials and staff for a job well done or private meetings held outside the publics knowledge or attendance.
- These concerned citizens have been labeled with derogatory titles, its been made publicly known and no public apology. In essence, condemnation for the citizens who once voted for you, and praises to the election officials that oversee the tasks that we present evidence of that is not being done.
- I ask, have the personal relationships developed over the years, impacted your judgment to be impartial and fair-minded?
- Because this county mandates County-wide voting instead of Precinct voting, we now have an adversarial situation that redactions of ballot information is NOW deemed necessary to “protect the secrecy of the ballot” and this county wants to charge its citizens, so far \$750.00 for 2024 general and \$975.00 for May Primary runoff ballot images or CVR.

Compared to all other election records asked for which were free and no “protection of the secrecy of the ballot” was carried out THEN. Our SoS approved these machines and promised the citizens of Texas that these machines “protected the secrecy of the ballot”. They do if you don’t have Countywide voting program in place. We are hopeful County-Wide voting program will be eliminated by our legislature and a bill has been introduced into the Senate to do just that. To clarify, I am not advocating for keeping these machines.

Lists of Provisional Voters
of the 2024 November General Election

On November 29, 2024, I made a request to Brazos County for the Ballot Board Summary Report for the November 2024 General Election for Brazos County.

I received forty-six pages of lists of "Provisional Voters." Five of those were from Early Voting. There were no Provisional Vote Lists from Precinct #9, the Bryan Ballroom, Precinct #16, Castle Heights Baptist Church, or Precinct #26, Christ Church.

In review of the List of Provisional Voters that I did receive, six precincts (or locations) were unsigned by the Precinct Presiding Judge. Forty-one pages of Provisional Voters were turned in but none had a Signature of Custodian Receiving Ballots from the Presiding Judge. Sixteen of those pages had the names of voters who had been accepted. On those sixteen pages, fifty-nine votes were accepted, but NO Signature of Custodian Receiving Ballots from the Presiding Judge was on those pages. Of the five pages of Early Voting List of Provisional Voters that I received, there were thirty-three votes accepted. All five pages had votes of voters that were accepted, but only two pages were signed by the Early Voting Ballot Board Judge. And of all the forty-six pages of Provisional Voters, no Signature of the Voter Registrar was noted.

Although, the List of Provisional Voters is collectively rather small related to all other voters, these records should still be complete, concise and verifiable.

BRAZOS COUNTY
BRYAN, TEXAS

LEASE

THIS LEASE ("Lease") is made and entered into this, the **14th day of January, 2025** ("Effective Date"), by and between **Brazos Transit District**, a political subdivision of the State of Texas ("Lessor"), and **Brazos County**, a County of the State of Texas ("Lessee"). Lessor and Lessee are sometimes referred to herein individually as a "Party" and collectively as the "Parties."

RECITALS

WHEREAS, On July 15, 2008, Brazos County and the Brazos Transit District entered into a Donation Agreement through which Brazos County agreed to donate a 1.7209-acre tract of land, defined below as the Leased Premises, to the Brazos Transit District for the construction of a parking garage and transit terminal;

WHEREAS, On December 30, 2008, a General Warranty Deed was filed in Brazos County conveying the Leased Premises to the Brazos Transit District to develop and construct the parking garage and transit terminal;

WHEREAS, The General Warranty Deed provides that the Leased Premises and improvements will revert back to Brazos County on January 1, 2045; and

WHEREAS, Brazos Transit District, as Lessor, desires to Lease to Brazos County, as Lessee, the Leased Premises as set forth more fully below.

NOW, THEREFORE, in consideration of the mutual terms, conditions and covenants herein contained, the Parties agree as follows:

SECTION 1. LEASED PREMISES. For and in consideration of the mutual covenants hereof, Lessor demises and leases to Lessee and Lessee hereby agrees to lease from Lessor 1.7209 acres, and the improvements, thereon, located at 321 E. 26th Street, Bryan, Texas 77803 and more specifically depicted in Exhibit A attached hereto and by this reference incorporated herein ("Premises").

SECTION 2. TERM. The term of this Lease begins on **April 15, 2025**, and ends on **December 31, 2044** (the "Term").

SECTION 3. USES OF LEASED PREMISES & ALTERATIONS

3.01 USE. The Premises will be used solely for the operation of a parking garage, for the operation of the Brazos County Probation Office, for any use by any department or office operated

by Lessee and for the potential operation of retail office or food establishments. Additionally, in the event of a Federal, State or Local Disaster Declaration that includes Brazos County or requires Brazos County to provide support and/or an emergency response to said disaster, the Premises shall be used for any purpose needed by the Lessee. Lessee will not use the Premises, or any portion thereof, for any other purpose than that set forth in this Lease without first having obtained the written approval of Lessor. Lessee will not use or permit the use of the Premises for any unlawful purpose, maintain any nuisance, permit any waste, or use the Premises in any way that creates a hazard to persons or property.

3.02 RESERVATION OF RIGHTS. Lessor may continue to use the bus transit station located on the Premises at 301 E. 26th Street, Bryan, Texas ("Bus Station") as a bus terminal. Lessor will have sufficient ingress and egress through the Premises for such use. Lessor and its employees, agents, invitees, and licensees will also have access to bathroom facilities in the Bus Station.

During the Term of the Lease, Lessor will maintain its right to freely access the Premises. As such, Lessee agrees Lessor will have ten (10) reserved parking spaces in the Premises, and thirty (30) access cards to access the Premises. In the event an access card becomes inoperable, Lessee will ensure a replacement access card is provided.

3.03 IMPROVEMENTS & ALTERATIONS.

(a) Lessee may, at any time and from time to time during the Term, erect, maintain, alter, remodel, reconstruct, rebuild, replace, and remove buildings and other improvements on the Premises, and correct or change the contour of the Premises, subject to the following:

- (i) Lessee bears the cost of any such work and is responsible for insuring any such work;
- (ii) The parking garage and the Bus Station cannot be removed from the Leased Premises.
- (ii) No lien may be placed on the Premises;
- (iii) Lessor must be notified of the time for beginning and the general nature of any such work, other than routine maintenance of existing buildings or improvements, at the time the work begins; and
- (iv) The conditions of Section 3.03(b) concerning Lessor's approving plans must be followed.

(b) The following rules govern Lessor's approving construction, additions, and alterations of buildings or other improvements on the Premises:

- (i) No building or other improvement may be constructed on the Premises unless the plans, specifications, and proposed location of the building or other improvement have received Lessor's written approval and the building or other improvement complies with the approved plans, specifications, and proposed location. No material addition to or alternation of any building or structure erected on the Premises may be begun until plans and specifications covering the exterior of the proposed addition or alternation have been first submitted to and approved by Lessor.

- (ii) Lessor will promptly review and approve all plans submitted by Lessee or will note in writing any required changes or corrections that must be made to the plans. Any required changes or corrections must be made, and the plans resubmitted to Lessor. Lessor's failure to request changes to or object to any submitted or resubmitted plans within 30 days of receipt constitutes Lessor's approval of the plans. Minor changes in work or materials not materially or adversely affecting the general character of the project and that Lessee does not believe will involve an adjustment in the cost of project or a change in the substantial completion date of the project may be made at any time without Lessor's approval.
- (iii) The following items do not require submission to, and approval, by Lessor:
 - 1. Minor repairs and alternations necessary to maintain existing structures and improvements in a useful state of repair and operation that do not materially or adversely affect the general character of the existing structures and improvements; or
 - 2. changes and alterations required by an authorized public official with authority or jurisdiction over the buildings or improvements, to comply with legal requirements.

(c) Lessor will not unreasonably withhold its approval of any items required by this Section 3.03.

3.04 OWNERSHIP OF BUILDINGS, IMPROVEMENTS, AND FIXTURES. Any buildings, improvements, additions, alterations, and fixtures (except for furniture and trade fixtures) constructed, placed, or maintained on any part of the Premises during the Term are considered part of the real property of the Premises and must remain on the Premises. The flags purchased by Lessor for use on the Premises are to remain on the Premises and are to be used by Lessee.

3.05 RIGHT TO REMOVE IMPROVEMENTS. Lessee may, at any time while it occupies the Premises, or within a reasonable time thereafter remove any furniture, machinery, equipment, or other trade fixtures owned or placed by Lessee, its subtenants, or licensees, in, under, or on the Premises, or acquired by Lessee, whether before or during the Lease Term. Lessee may not, without the prior written consent of Lessor, remove any machinery, equipment, or other trade fixtures owned or placed by Lessor, its subtenants, or licensees, in, under, or on the Premises until the expiration of the Lease Term.

3.06 MAINTENANCE. At all times during the Term, Lessee will keep and maintain, or cause to be kept and maintained, all buildings and improvements erected on the Premises and all fixtures maintained on the Premises in a good state of appearance and repair (except for reasonable wear and tear) at Lessee's own expense. Lessor agrees to comply with any and all conditions arising under the Federal Transit Administration's requirement that the Premises be in a state of good repair and able to operate at a full level of performance.

3.07 DAMAGE OR DESTRUCTION. If any building or improvement constructed on the Premises is damaged or destroyed by fire or any other casualty, regardless of the extent of the damage or destruction, unless it is a building or improvement modified or constructed by Lessee after the execution of this Lease, Lessor must, within one year from the date of the damage or

destruction, begin to repair, reconstruct, or replace the damaged or destroyed building or improvement and pursue the repair, reconstruction, or replacement with reasonable diligence so as to restore the building to substantially the condition it was in before the casualty. But if beginning or completing this restoration is prevented or delayed by war, civil commotion, acts of God, strikes, governmental restrictions or regulations, or interferences, fire or other casualty, or any other reason beyond Lessor's control, whether similar to any of those enumerated or not, the time for beginning or completing the restoration (or both) will automatically be extended for the period of each such delay.

3.08 TRASH, GARBAGE & UTILITIES. Lessee will provide and pay all costs for the adequate, sanitary handling of all trash, garbage and other refuse caused as a result of its operations on the Premises and all utilities and services, including but not limited to electricity, water, and internet, and will provide for the timely removal of all trash, garbage and refuse from the Premises in accordance with all applicable laws or regulations. Lessee will also provide and pay all costs for the utilities associated with the Bus Station to include Wi-Fi, water and electricity. Lessor will provide all other janitorial services and maintenance for the Bus Station to include all trash and garbage handling and removal to external collection receptacle. In exchange for the cost of the utilities to be covered by the Lessee, Lessor will utilize existing Bus Station employees to periodically patrol the parking garage and collect discarded trash thrown about and notify county personnel if needed.

3.09 SUBLEASING. Subject to Lessor's reservation of rights in 3.02 above, Lessee may sublease all or any part of the Premises (e.g; including, without limitation, use of a portion of the Premises for the location of vending machines) to a third party or third parties. Any revenue received by Lessee pursuant to any such lease or sublease will be retained by Lessee and Lessor will have no right or interest in such revenue.

3.10 EXPENSES. Lessee will provide a quarterly written report to Lessor detailing all expenses arising from their use and maintenance of the Premises.

3.11 EXISTING CONTRACTS AND AGREEMENTS. Within thirty days of submission of a request for reimbursement, Lessee agrees to reimburse Lessor for costs associated with any contractual amounts and obligations for services and goods performed or used on the Premises after the Effective Date of the Lease, including, but not limited to the pay station service provider, the fire system monitoring provider, the inspection service for the sprinklers, fire alarm, exit lights and extinguishers, the landscaping provider, the internet provider, and the elevator maintenance. Lessor and Lessee both agree that they will cooperate in the assignment and/or transfer of any vendor agreement involving the Premises in effect as of the Effective Date of this Lease if financially feasible and legally able, otherwise the Lessor agrees to terminate all vendor agreements that would otherwise be the responsibility of the Lessee as soon as possible.

Any lease agreements for parking spaces between the Lessor and any 3rd party that are in full force and effect at the time this Lease goes in effect will be assigned to the Lessee.

SECTION 4. RENTALS. Lessee will pay Lessor \$1.00 per year during the Term of this Lease as annual rent for using and occupying the Premises. Lessee may make a lump-sum payment to cover the entire Lease Term.

SECTION 5. INSURANCE

5.01 LIABILITY INSURANCE. Lessee will provide general liability insurance for personal injuries and death growing out of a single occurrence in a minimum amount of Five Hundred Thousand and No/100 Dollars (\$500,000.00) and an aggregate amount of Two Million and No/100 Dollars (\$2,000,000). Lessee is required to name the Lessor as an additional insured on the policy of general liability insurance referenced above. Lessee must file a copy of the policy or certificate of liability insurance with Lessor within 30 days after the Effective Date. Such policy or certificate must provide that the insurance cannot be canceled, or the amount of coverage changed without 10 days prior written notice to Lessor. Lessee is also responsible for maintaining Commercial General Liability coverage for any improvements or modifications constructed on the Leased Premises after the execution of this Lease. Such Commercial General Liability Coverage shall be at Lessee's sole expense (not reimbursable by Lessor) and be in an amount of Two Million Dollars (\$2,000,000) in the aggregate; One Million Dollars (\$1,000,000) per occurrence, along with full replacement property coverage for all improvements or modifications constructed on the Leased Premises after the execution of this Lease, and with a contractual indemnity rider covering Lessee's obligations to Lessor under this Lease.

Lessor shall, at Lessor's sole expense (not reimbursable by Lessee) maintain Commercial General Liability coverage supporting their interest in the Premises in an amount of Two Million Dollars (\$2,000,000) in the aggregate; One Million Dollars (\$1,000,000) per occurrence, along with full replacement property coverage for all improvements located on the Premises to which the Landlord holds an interest and for which no modification has been made by Lessee after the execution of this Lease, and with a contractual indemnity rider covering Lessor's obligations to Tenant under this Lease. In the event of any insurance claim against Lessor related to the Leased Premises, Lessee will be responsible for paying the full amount of the deductible during the term of this Lease.

5.02 WAIVER OF SUBROGATION. Lessee shall waive any claim it might have against Lessor for any injury to or death of any person or persons or damage to or theft, destruction, loss, or loss of use of any property (a "Loss"), to the extent the same is insured against or is required hereunder to be insured against under any insurance policy that covers the improvements, the Leased Premises, Lessee's fixtures, personal property, leasehold improvements, or business. Lessee will cause its insurance carrier to endorse all applicable policies waiving the carrier's rights of recovery under subrogation or otherwise against Lessor.

SECTION 6. DEFAULT AND REMEDIES

6.01 If Lessee defaults in performing any covenant or term of this Lease and does not correct the default within 60 days after receipt of written notice from Lessor to Lessee, Lessor may pursue any remedy Lessor has available to it by law or in equity.

6.02 If Lessor defaults in performing any covenant or term of this Lease and does not correct the default within 60 days after receipt of written notice from Lessee to Lessor, Lessee may pursue any remedy Lessee has available to it by law or in equity except that Lessee expressly waives the right to terminate this Lease or bring any cause of action that would request the rescission, vacation, or otherwise result in termination of the Lease.

SECTION 7. EMINENT DOMAIN. If the Premises, or a substantial part thereof, is lawfully taken or condemned (or conveyed under threat of such taking or condemnation) for any public or quasi-public use or purpose, the Term of this Lease will end upon, and not before, the date of the taking

of possession by the condemning authority. Rentals will be apportioned as of the date of such termination, and Lessor will be entitled to pursue an award with respect to such taking or condemnation, unless an improvement constructed by Lessee is subject to such taking or condemnation, in which case Lessee will be entitled to pursue an award for the portion attributed to their constructed improvements. If any part of the Premises not constituting a substantial part thereof is so taken or condemned or conveyed under threat of such taking or condemnation, or if the grade of any street adjacent to the Premises is changed by any competent authority and such taking or change of grade makes it necessary or desirable substantially to remodel or restore the Premises, Lessee will have the right to cancel this Lease, such cancellation to take place no later than the date of this taking of possession by the condemning authority, and Lessor will be entitled to pursue an award with respect to such taking or condemnation, unless an improvement constructed by Lessee is subject to such partial taking or partial condemnation, in which case Lessee will be entitled to pursue an award for the portion attributed to their constructed improvements. Lessor will give Lessee notice of such intended taking or condemnation within a reasonable time of its receipt of same.

SECTION 8. TAXES & LICENSES

8.01 The Lessee will obtain and pay for all licenses or permits necessary or required by law for the construction of additions or improvements, the installation of equipment and furnishing, and any other licenses necessary for the conduct of its operations hereunder.

8.02 The Lessee will be responsible for payment of any and all taxes and assessments arising from the Lessee's use of the Premises.

SECTION 9. INSPECTION OF PREMISES. Lessor or its duly authorized representatives may enter upon the Premises at any reasonable time during the Term for the purpose of determining whether or not Lessee is complying with the terms and conditions hereof or for any other purpose incidental to the rights of Lessor.

SECTION 10. QUIET ENJOYMENT. Lessor agrees that Lessee, upon payment of the rentals and all other payments and charges to be paid by Lessee under the terms of this Lease and upon observing and keeping each of the covenants of this Lease on the part of Lessee to be observed and kept, will lawfully and quietly hold, occupy and enjoy the Premises, equipment, furniture and fixtures during the Term of this Lease.

SECTION 11. HAZARDOUS SUBSTANCE. No goods, merchandise or materials will be kept, stored or sold in or on said Premises which are explosive or hazardous and which are not in customary use in the businesses herein authorized; and no offensive or dangerous trade, business or occupation will be carried on therein or thereon.

SECTION 12. MISCELLANEOUS

A. SCOPE OF BID

1. Bids are solicited for furnishing and installing a security key management system as set forth in this bid request in accordance with the following Conditions of Bidding.

B. CONDITIONS OF BIDDING

1. The following instructions apply to all bids and become a part of terms and conditions of any bid submitted to the Brazos County Purchasing Office, unless otherwise specified elsewhere in this bid request. All Respondent(s) are required to be informed of these terms and conditions and will be held responsible for having done so:
2. Definitions: In order to simplify the language throughout this bid, the following definitions shall apply:
 - a. **BRAZOS COUNTY** – Same as County.
 - b. **COMMISSIONERS COURT** – The elected officials of Brazos County, Texas given the authority to exercise such powers and jurisdiction of all County business as conferred by the State Constitution and Laws.
 - c. **CONTRACT** – An agreement between the County and a Contractor to furnish supplies and/or services over a designated period of time during which repeated purchases are made of the commodity specified.
 - d. **CONTRACTOR** – The successful Respondent(s) of this bid request.
 - e. **COUNTY** – The government of Brazos County, Texas and its authorized representative.
 - f. **SUB-CONTRACTOR** – Any contractor hired by the Contractor or supplier to furnish materials and services specified in the bid request.
 - g. **RESPONDENT** – Any supplier or vendor responding to the bid request.
3. Upon acceptance and approval by the Commissioners Court, this bid effects a working contract between Brazos County and the Contractor for the period designated.
4. Bids must be received by the Purchasing Office prior to the time and date specified. The mere fact that the bid was dispatched will not be considered; the Respondent(s) must have the bid actually delivered to and received by the Purchasing Department.
5. The County reserves the right to accept or reject in part or in whole, any bids submitted, and to waive any technicalities for the best interest of the County.

6. Brazos County shall not be responsible for any verbal communication between any employee of the County and any Respondent(s). Only written specifications and written price quotations will be considered. Respondent(s) with questions regarding the bid should submit them in writing via the Brazos Valley e-Marketplace at <https://brazosbid.ionwave.net>.
7. Brazos County reserves the right to reject any bid that does not fully respond to each specified item.
8. Respondent(s) must include Tax Identification Number for the bid to be valid.
9. Should there be a change in ownership or management; the Contract shall be canceled unless a mutual agreement is reached with the new owner or manager to continue the Contract with its present provisions and prices. This Contract is nontransferable and may not be reassigned by either party.
10. The County may cancel this Contract at any time for any reason, provided a thirty-day written notice is given.
11. The bid award shall be based on, but not necessarily limited to, the following factors:
 - a. Unit Price
 - b. Extended price
 - c. Special needs and requirements of Brazos County
 - d. Results of testing samples (if required by Brazos County)
 - e. Delivery
 - f. References
 - g. Brazos County's experience with products bid
 - h. Respondent's past performance record with Brazos County
12. Although the cost of products to be provided is an essential part of the bid, Brazos County is not obligated to award a contract on the sole basis of cost but will award to Respondent considered to be the best value to Brazos County.
13. Acceptance of merchandise, work, and/or equipment provided shall be made by the County at the sole discretion of the Commissioners Court when all terms and conditions of the Contract and specifications have been met to its satisfaction, including the submission to the County of any and all documentation as may be required.
14. Title and risk of loss of the goods shall not pass to Brazos County until the County actually accepts and takes possession of the goods at the point or points of delivery.

15. This Contract shall be governed by the Uniform Commercial Code as adopted in the State of Texas as effective and in force on the date of this Contract, when applicable.
16. Bids must be submitted on quantities and units of measure specified by the bid documents. In the event of errors in extended prices the unit price shall govern. Any suggested change in quantity on the part of the Respondent(s) to secure better price or delivery is welcomed and may be given consideration provided that the bidder also bids on the quantity specified.
17. Bids must specify the number of consecutive calendar days required to deliver the commodities under normal conditions. Failure to specify delivery time will be considered reason enough to cause the bid to be disregarded. Delivery time quoted will be given consideration in awarding a contract. If delivery is not made within a reasonable time of the specified delivery in the bid, the entire order or contract may be canceled, and the Contractor barred from bidding in future solicitations.
18. Bids cannot be altered after receiving time. No bid may be withdrawn after opening time without acceptable reason and with the approval of the Purchasing Agent.
19. **Bids must be submitted on this form and returned in a sealed envelope clearly marked with Respondent Name and Bid Number to ensure proper recognition upon its arrival. Bids will not be considered if submitted by telephone, fax or any other means of rapid dispatch, nor will a bid be considered if submitted to any other person or department other than specifically instructed. Bids not received prior to the expressed date and time listed in this bid will be rejected or returned unopened to the Respondent(s). Bids submitted to any other person or department other than the Brazos County Purchasing Department will not be accepted.**
20. It is the Respondent's sole responsibility to print and review all pages of the bid document, attachments, questions and responses, addenda, and special notices. The Certification of Bid Form must be completed to include full firm name, mailing address, telephone number, email address, Vendor Tax Identification number and signed by an authorized representative of the firm. Failure to provide signature on the Certification of Bid Form renders bid non-responsive. Failure to complete the submission of all required forms, including but not limited to the Reference Page, House Bill 89 & Debarment Verification form, Questionnaires (when applicable), Addenda (including revised forms), and any other specified forms or documents may be grounds for rejection of entire bid. By submitting a response to this solicitation, the Respondent(s) agrees to comply with HB

1295, Government Code 2252.908, if awarded a contract. Respondent(s) agrees to provide Brazos County the "Certificate of Interested Parties", Form 1295 as required, for renewals, amendments or extensions to the Contract.

Visit https://ethics.state.tx.us/whatsnew/elf_info_form1295.htm for more information.

21. In the event of a needed change in the specifications sent to the bidder, it is understood that all the foregoing terms shall apply to the addendum or addenda. Any interpretation, corrections or changes to these specifications will be made by addenda. Sole issuing authority of addenda shall be vested in the Brazos County Purchasing Agent, authorized to do so by the Commissioner's Court. Addenda will be made available using the same distribution method used to post or make available the original solicitation. Bidders shall acknowledge receipt of all addenda or their proposal may be considered non-responsive.
22. It is our policy not to furnish bid results over the phone. Bid results and tabulation sheets will be posted on the Brazos Valley e-Marketplace (<https://brazosbid.ionwave.net>) after bid award by Commissioner's Court.
23. The Contractor agrees to extend prices and terms to all entities that has entered or will enter into joint purchasing inter-local cooperation agreement(s) with Brazos County.
24. Three (3) references are to be provided by Respondent. Failure to submit references may result in disqualification of bid. Brazos County department references will not be accepted.

The Board of Health shall advise the District Director and the District Members on matters of public health, and retain ultimate authority for public health matters within the Health District. The Board of Health may not adopt a rule that is not specifically authorized by State law, conflicts with a State law, or conflicts with a District Member ordinance or County order. Each Board Member shall be responsible for presenting and advocating on its behalf the District's contribution request through the budget process of the District Member the Board Member represents. The Board of Health shall determine the kinds and frequencies of reports, other than as stated herein, to be prepared by the District on an annual basis.

3.3 **Composition.** The Board shall consist of two representatives from each of the Full District Members and one representative for each Limited Member. Each city council and the Commissioners Court will select two of its citizens, who may, but need not be an employee or an elected official of the appointing District Member. If the District Director is not a Physician, the Health Authority shall be an ex-officio representative on the Health Board.

3.4 **Term.** Board Members will serve two years except any Board Member currently serving shall complete his current term and any consecutive term for which he is eligible. Each Board Member may be reappointed for four consecutive terms. In order to maintain continuity on the Board, each District Member agrees to stagger the appointment of its two duly appointed Board Members. For purposes of implementing this process on the date of this Amended and Restated Agreement, each District Member may, if necessary, shorten or lengthen by one year the term of one of its currently sitting Board Members.

3.5. **Qualification.** The Board Members shall serve subject to the following terms and conditions:

3.5.1 **Residence.** Each Board Member must have resided in the geographical area within the jurisdiction of the governmental entities which are District Members for a period of three (3) years prior to his appointment.

3.5.2 **No Compensation.** Board Members shall serve without compensation.

3.5.3 **Attendance.** Attendance at Board Meetings is required. Failure to attend four consecutive Board meetings without a valid reason will be grounds for automatic removal of a Board Member. Except for automatic removal specified herein, any action to remove a Board Member shall be undertaken by the District Member appointing such Representative. The District Member considering removal shall be the sole judge of the reason it chooses to remove its representative.

3.5.4 **Vacancies.** In the event of a vacancy for any reason for the unexpired term of any Board Member, the vacancy shall be filled by appointment of the District Member which originally appointed the Board Member who no longer serves. A District Member filling a vacancy shall fill that vacancy in the same manner and method provided for in the original appointment. Board Members appointed to fill an unexpired term shall serve until the end of the unexpired term.

- 3.6 **Meeting Procedures.** The Board of Health may adopt rules of conduct and procedure not in conflict with this Agreement.
- 3.6.1 **Officers.** The Board of Health shall annually at the final meeting of the fiscal year elect a chairperson from the ranks of Board Members. The District Director shall serve as secretary to the Board. The Board may appoint such other officers as it may deem necessary.
- 3.6.2 **Quorum.** A quorum for meetings of the Board of Health shall be equal to at least three (3) Board Members representing at least two (2) District Members. Ex-Officio members of the Board shall not be counted for purposes of determining a quorum.
- 3.6.3 **Voting.** The two representatives selected to represent one District Member shall have but one vote between them on all issues brought before the Board. In the event one of the two representatives from one District Member is unable to attend a Board meeting, the representative present may cast that District Member's vote without the need of obtaining a proxy from the non-attending Board Member. Limited Members' representatives and any person sitting on the Board in an ex-officio capacity shall have no vote.
- 3.6.4 **Meetings.** The Board of Health shall meet at least quarterly on a date determined by the Board, and may hold special meetings when called by the Chairperson. The Chairperson, or in his/her absence his designee, shall call a special meeting of the Board when requested to do so by two or more Board Members, other than Ex-Officio Board members.
- 3.6.5 **Notice.** The Board of Health shall comply with the notice and open meeting requirements of the Texas Open Meetings Act (currently Tex. Government Code Section 551.001 et seq.). The District Director shall give notice of all meetings of the Board of Health to each Board Member and the governing body of each District Member at least five (5) business days prior to each meeting, and shall post notice of a meeting at least seventy-two (72) hours before a meeting in a public place at the main office of the Health District, unless an emergency as defined by Section 551.045 of the Open Meetings Act exists, in which case two-hour notice shall suffice.
- 3.6.6 **Action by the Board.** The Board of Health shall take action by a simple majority of the total votes cast by the Board Members at a properly-called meeting at which a quorum is present, unless a greater percentage is required to take some specific action under this Agreement.
- 3.6.7 **Parliamentary Rules.** Except for specific standing rules that may be adopted by the Board, "Robert's Rules of Order" as set forth in the latest edition of Robert's Rules of Order Newly Revised, will be followed at all meetings of the Board.

3.7 **Director Board Membership.** The Director shall serve as an ex-officio non-voting member of the Board.

V. FINANCES

5.1 **Budget.** The District Director shall each year submit a proposed budget for the District's fiscal year, which shall be from October 1st to September 30th, to the Board of Health for its consideration. The budget shall be prepared in a format consistent with governmental accounting principles as promulgated by the Governmental Accounting Standards Board. The Board of Health shall each fiscal year approve a preliminary budget for the Health District for the upcoming fiscal year by May 30th. The budget approved by the Board of Health shall be sufficient to provide for the payment of expenses necessary for the operation of the Health District including the following items: (1) staff salaries; (2) supplies; (3) suitable office space; (4) health and clinic centers; (5) health service and facilities; (6) maintenance; (7) travel and education costs; and (8) other necessary costs for the operation of the District. The budget shall also show all known or anticipated sources of revenue and the proposed contribution amount of each District Member based upon the formula outlined in Paragraph 5.6 hereof. Upon the approval of the Board of Health, the preliminary budget shall be submitted, no later than June 1st by the Board Members, to the governing body of their respective District Members for approval. The Board shall only amend the budget in the same manner that it adopted the original budget.

5.2 **Approval of Expenditures.** The Director has the authority to approve all expenditures less than or equal to \$5,000.00 as long as the expenditure does not require an amendment to the District budget. No expenditures will be approved unless there are adequate budgeted funds within the appropriate category to support the expenditure. All budgeted expenditures greater than \$5,000.00 will be approved by the Board Chairman or his or her designee and brought to the Board for formal review and approval at the next Board meeting after such expenditure is made. All contracts and grants, except those of a nonfinancial nature and certain State contracts, as set forth in the District's Budget and Expenditure Authorization Policy Statement, shall be brought before the Health Board for its approval. The Board Chairman shall execute all District contracts, except those of a non-financial nature and certain State contracts, as provided above, which shall be executed by the Director.

5.3 **Statistical Report.** A Statistical Report which shall include a statistical summary of the Health District's activities in the most recent fiscal year, and such other matters deemed appropriate by the Board of Health shall be prepared and presented to the Board at its quarterly meetings.

5.4. **Annual Audit.** The Board shall authorize the hiring of a qualified firm or individual, licensed to practice as a certified public accountant or firm by the State Board of Public Accountancy, to audit the financial records of the Health District and prepare financial statements in accordance with Governmental Accounting & Financial Reporting Standards (GAFR) published by GASB. A copy of the most recent Independent Auditor's Report of Financial Statements shall be sent to the governing body of each of the District Members no later than May 31st of the year following the year covered by such report.

5.5 **Accounts.** The District's accounts shall be maintained in a separate fund within the financial system of Brazos County. All income to the District will be maintained in appropriate accounts in accordance with Generally Accepted Accounting Principles. Appropriate records of all income and disbursements from these accounts will be kept by the District. Summary records shall be reviewed and approved by the Board quarterly. No appropriation of money from these accounts shall be made unless unanimously approved by the Board.

5.6 **District Member Contributions.** Each District Member shall annually budget for and contribute its proportionate share of funding as described below to the District to be held in the accounts described in Paragraph 5.5 above. Contributions are payable monthly but in no event less often than quarterly. The District Members agree that funding for District Members shall be equal to one-third (1/3) of the budgeted cash amounts of the District for the next fiscal year. Brazos County shall, until agreed otherwise in writing, contribute in addition to its one-third of the budget amount, the current District's physical facilities including utilities and janitorial services, auditing services, accounting services, purchasing services and human resources services, and inclusion of District employees in the County's retirement, health insurance and worker's compensation programs and provide general liability and errors and omissions liability insurance coverage pursuant to the County's then current insurance policy insuring against risks and claims arising out of the operation of the District, without charge to the District.

5.7 **Fund Balance.** All unencumbered funds at the close of a fiscal year shall be deposited into the District's Fund Balance to be designated for use for public health services mutually beneficial to each District Member or shall be used to reduce budget contributions of the District Members in the following fiscal year. No appropriation of money for such later use shall be made unless unanimously approved by all District Members. All payments made to the District shall be from current revenues of each District Member.

5.8 **Invoice.** Premised upon the approval of the Budget by the Board and the governing body of each District Member of its contribution amount for the next succeeding year, the Director shall send an invoice to the appropriate financial department of each District Member, setting forth the cash contribution due and owing for that budget year. Each District Member's contribution shall be paid monthly or at the District Member's election, quarterly.

VI. DISSOLUTION

6.1 **Events Initiating Dissolution.** The District shall dissolve and its affairs shall be wound up on the first to occur of the following:

- a. the written consent of all District Members;
- b. the failure of a District Member to make its annual contribution unless the business of the District is continued by the consent of all remaining District Members;
- c. failure of District to fulfill its legal requirements in order to maintain its affiliation with the Texas Department of State Health Services.

6.2 **Liquidation Process.** On dissolution of the District, the Director shall act as liquidator. The Director shall proceed diligently to wind up the affairs of the District and make final distributions as provided herein. The costs of liquidation shall be borne as a District expense and shall be paid out of the District's available accounts as described in Paragraph 5.5 above. Until final distribution, the Director shall continue to operate the District properties with all of the power and authority of the Director. The steps required to liquidate the District are as follows:

6.2.1 **Accounting.** As promptly as possible after an event of dissolution and again after final liquidation, the Director shall cause a proper accounting to be made by a recognized firm of certified public accountants of the District's assets, liabilities, and operations through the last day of the calendar month in which the event of dissolution occurs or the final liquidation is completed, as applicable.

6.2.2 **Notice.** The Director shall cause the notice of such dissolution to be mailed to each known creditor of the District.

6.2.3 **Liabilities.** The Director shall pay, satisfy or discharge from District funds all of the debts, liabilities and obligations of the District (including, without limitation, all expenses incurred in liquidation) or otherwise make adequate provision for payment and discharge thereof (including, without limitation, the establishment of a cash escrow fund for contingent liabilities in such amount and for such term as the Director may reasonably determine). To the extent the District's liabilities exceed its assets, the District Members shall, in equal shares, contribute an amount sufficient to discharge such liabilities.

6.2.4 **Assets Remaining.** All remaining assets, if any, of the District shall be distributed to the District Members as follows:

6.2.4.1 **In Kind Contributions.** All assets which were originally received by the District as in-kind contributions and which are still in the possession of the District at the time of final distributions shall be returned to the contributing District Member.

6.2.4.2 **Sale.** All remaining property and assets shall be distributed equitably among the District Members pursuant to terms of a written mutual agreement. A dollar value representing the value of property received by each Member through the distribution process in this subparagraph 6.2.4.2 (the "Individual Deduction Amount") shall be allocated to each party. If the District Members are unable to negotiate an agreement for the equitable distribution of all or any of the remaining property, such remaining property shall be sold by sealed bid or auction in accordance with applicable laws. The proceeds of such sale and/or auction will be distributed equitably among the District Members as follows: the total value of proceeds received from sale and/or auction shall be added to the total value of property distributed to the parties under this subparagraph 6.2.4.2 (the "Total Gross Value"); the Total Gross Value shall be divided by the number of District Members participating at the time of dissolution (the "Individual Gross Amount Due"); each District Member shall

be paid (or reimburse, as appropriate) the difference between the Individual Gross Amount Due and such party's Individual Deduction Amount.

6.2.4.3 Surplus Property. To the extent allowed by applicable laws governing the disposal of surplus property, the parties may agree to donate items of personal property to authorized entities.

6.2.5 In-Kind Contributions. All distributions in kind to the District Members, as set forth in Paragraph 6.2.4.2 above, shall be made subject to the assumption of liability of each recipient Member for costs, expenses, and liabilities associated with such asset theretofore incurred or for which the District has committed prior to the date of distribution. The distribution of cash and/or property to a District Member in accordance with the provisions of this section constitutes a complete distribution to the District Member of all the District's property and constitutes a compromise to which all District Members do hereby consent.

6.2.6 Applicable Law. All actions shall be exercised in accord with existing local, state, and federal law, rules and regulations as they pertain to the termination of personnel, property and the responsibility to provide for services.
