Reclassification & Restructure

Brazos County Human Resources

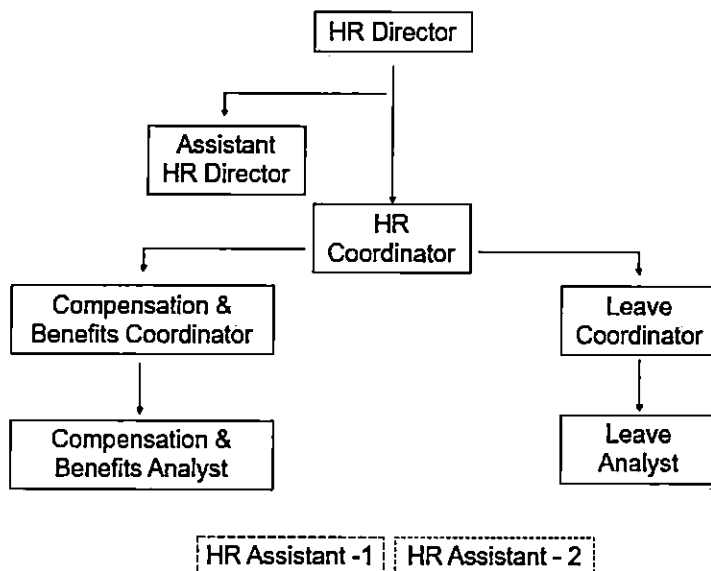

August 12, 2025

Prepared By: Jennifer Salazar

HR Director

In response to growing operational needs, an evolving workforce, and legal complexities, the Human Resources (HR) Department at Brazos County is requesting a reclassification and restructure of key positions to enhance service delivery, ensure compliance, and better support the County's workforce. This strategic restructuring will streamline workflows, improve efficiency, and provide specialized focus on critical areas of HR such as leave management, compensation, benefits, and internal operations. Importantly, this restructuring represents \$0 cost to the overall budget as it repurposes existing positions and reallocates resources in a more effective manner.

Proposed Structure:

Strategic Justification

This proposed restructuring will enable the HR department to manage increasing demands effectively by creating specialized roles that are aligned with the County's growing and dynamic needs. The restructuring will provide clear role differentiation, increase operational capacity, and enhance employee experience.

- **Functional Specialization:** The addition of dedicated positions like the Leave Coordinator and Compensation & Benefits Coordinator will allow for better specialization and management of complex tasks, such as protected leave administration, benefits coordination, and compensation analysis. These areas have become increasingly intricate due to changing laws, regulations, and overall workload.
- **Workload Redistribution:** By reallocating duties across the team, the department can better manage its workload and reduce operational bottlenecks. With over 102 leave and disability-

related cases processed on average per month, for instance, this reclassification will ensure that key functions such as compliance tracking and employee accommodations are efficiently handled.

- **Improved Service Delivery:** The specialization of roles will enhance the overall responsiveness of the HR department to the needs of County departments and employees, reducing delays and ensuring timely, accurate, and compliant responses. Additionally, this will give HR leadership the space to focus on bigger-picture goals by streamlining daily tasks and making better use of resources.
- **Internal Equity and Retention:** The reclassification of positions aligns more accurately with the current duties and responsibilities being performed by HR staff. This adjustment recognizes employees' expanded roles, and supports retention by offering clear career development pathways.
- **Zero Cost to the Budget:** Importantly, the restructuring will not result in any increase to the overall budget. The proposed reclassification and role changes are made possible by the realignment of existing resources, which ensures that the County's fiscal responsibility is maintained while improving HR service delivery.

Conclusion

The restructuring and reclassification request is essential to ensure the HR Department remains capable of supporting Brazos County's evolving workforce. By introducing specialized roles, reallocating responsibilities, and optimizing workflows, the HR Department will be better equipped to handle increasing operational complexity and demand. This strategic restructuring will not only enhance internal efficiency but also reduce legal and compliance risks, ultimately improving service delivery to departments and employees across the County.

The HR Department requests your support in approving this restructure, which represents a responsible and effective approach to meeting our growing needs while maintaining a balanced budget. Thank you for your consideration.

**YOUTH DIVERSION PLAN
JUSTICE OF THE PEACE, PRECINCT 4
BRAZOS COUNTY, TEXAS**

Purpose: The purpose of this Youth Diversion Plan is to protect and preserve the interests of Texas youth who have run afoul of our laws by providing interventions and strategies designed to assist the troubled youth and to keep his/her record clean and his/her future bright with opportunity to successfully integrate into society without the burdens of their youth raising barriers. A copy of this Youth Diversion Plan shall be maintained on file for public purposes.

Youth Diversion Coordinators: Clerk Staff from Justice Court, Precinct 4.

Plan Qualifications: A youth must be 17 years of age or younger at the time they allegedly committed the non-traffic offense and shall not have had a prior unsuccessful Diversion Plan. The youth must not have signed a Diversion Agreement within 12 months prior to the commencement of a new Agreement.

Effective Date of Plan: January 1, 2025

Overview of Plan: When a youth allegedly runs afoul of the law and charges are leveled against that youth, this Plan is designed to intervene to provide strategies and services which may provide helpful assistance in the hopes of averting further interactions with the legal system. The Plan will be specific to each individual youth. The Plan will be memorialized in a written agreement which must be signed by the youth and a parent. The Agreement will divert and halt the prosecution of charges which have been leveled against the youth and the pending charges will be dismissed at the onset. The Agreement will be for a set time as determined by the Youth Diversion Coordinators but will be no longer than 180 days. A copy of the executed Agreement must be provided to the child, the parent, the clerk of the court, the Youth Diversion Coordinators, and any other person specified in the executed Agreement.

The Agreement will be monitored by the Youth Diversion Coordinators who will keep in contact with the service providers, the youth, and/or the parents of the youth, to verify that the requirements of the Agreement are being administered and followed. This will include the Youth Diversion Coordinators taking an active role in communicating with any providers, the youth and the parent.

Participation in this Plan and execution of the Agreement is not an admission of any guilt and no plea is required to participate. Participation is also voluntary, and the child and the parent will be notified of the child's rights, including the right to refuse the Diversion Plan. The child must knowingly and voluntarily consent to participate in the Plan, and the signatures of both the child and the parent are required to invoke the rights under this Plan.

Possible Outcomes: A successful completion of the Agreement will bar the charges leveled against the youth being revived and prosecuted. The records associated with the youth will be automatically expunged when the youth turns 18 years of age. The Court may, at its discretion, amend or set aside certain terms to the Agreement, may extend the diversion period not to exceed one year from the initial start date, order the parent to perform any reasonable act or refrain from

any reasonable act, continue any scheduled hearing for up to 60 days, and make a determination (decide) that the diversion was successful or unsuccessful.

An unsuccessful completion of the Plan may result in the case being referred for prosecution.

The Court maintains jurisdiction over the case for the period of the Agreement.

Plan Records: The Youth Diversion Coordinators shall maintain records on all Plans for three years and shall keep a permanent file on all successful and unsuccessful Plans.

Plan Strategies: Plan strategies and interventions include, but are not limited to, any teen court program, any school related program, other educational program such as alcohol, drug, or tobacco programs, rehab therapy, self-improvement programs, referring the youth to a service provider addressing (among other things) at-risk youth services, juvenile case manager services, work and job skills training, academic monitoring and/or tutoring including GED prep, community-based services, mental health screening and/or clinical assessment; private or in-school counseling, mentoring services, ordering the child to pay restitution on property offenses not to exceed \$100, ordering the child to perform community service up to 20 hours, or ordering the child and/or parent to perform any other reasonable action.

ORDER ADOPTING A YOUTH DIVERSION PLAN

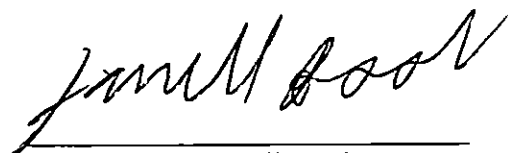

IT IS ORDERED pursuant to *Article 45.306 (b) of the Texas Code of Criminal Procedure* that the Court adopts the *Youth Diversion Plan* hereafter referred to as the "*Brazos County Justice of the Peace Precinct 4 Youth Diversion Plan*" or "*Diversion Plan*".

IT IS FURTHER ORDERED that the Plan shall not limit the types of strategies or services that may be imposed as needed in the best interest of the child and to promote the long-term safety of the community. Strategies and Services may be tailored to an individual case as determined by the Judge, Prosecutor and the Youth Diversion Coordinator after assessment and collaboration with all interested parties and service providers.

IT IS FURTHER ORDERED that the procedures, components, and applicable law referenced in the *Diversion Plan* shall be maintained on file for public inspection.

THIS PLAN WILL BECOME EFFECTIVE JANUARY 1, 2025.

SIGNED AND ENTERED on this 18TH day of December, 2024

Judge Darrell Booker

BRAZOS COUNTY JUSTICE OF THE PEACE PCT 4 – YOUTH DIVERSION PLAN

I. OBJECTIVE

The objective of this plan is to develop intervention strategies that redirect a child from formal criminal prosecution while still holding the child accountable for the child's actions. Stated objectives in this agreement must be measurable, realistic and reasonable and consider the circumstances of the child, the best interests of the child and the long-term safety of the community.

II. APPLICABILITY

This plan applies to a child that is alleged to have engaged in conduct that constitutes a misdemeanor punishable by a fine only, other than a traffic offense. This plan does not prohibit a child from being referred to, adjudicated, or disposed of as conduct indicating a need for supervision under ***Title 3, Family Code***, or a waiver of jurisdiction and transfer of a child's case as provided by section ***51.01 of the Texas Family Code***.

III. ELIGIBILITY

A child shall be diverted from formal criminal prosecution if the child meets the eligibility requirements of ***Texas Code of Criminal Procedure, Art. 45.304 – Diversion Eligibility***. The following are eligibility requirements:

1. Must not have had an unsuccessful diversion.
2. Must not have had a successful diversion in the previous 365 days
3. The prosecuting attorney does not object to the diversion
4. Both the parent and child agree by written consent to the diversion

A child that is eligible under this section wishes to take the case to trial, and the judge or a jury determines the evidence that would support the finding of guilt, the court shall provide the child and the child's parents with the opportunity to accept placement in a diversion instead of entering an adjudication of guilt.

If the child and the child's parents chose to accept the opportunity for diversion, the court shall place the child in the diversion plan. However, if the child and the child's parents decline to accept the diversion opportunity, the court shall find the child guilty and proceed to sentencing.

IV. DIVERSION STRATEGIES

Diversion strategies include, but are not limited to the following, and may be imposed under an intermediate diversion under ***the Texas Code of Criminal Procedure, Art. 45.309***; or by a justice or judge under ***Texas Code of Criminal***

Procedure, Art. 45.310, or a system of graduated sanctions for certain school offenses under **Texas Education Code 37.144**:

 - b) Perform not more than 20 hours of community service

V. PROHIBITED STRATEGIES

A diversion strategy may not require a child who is a home-schooled student, as defined by **Section 29.916 of the Texas Education Code**, to:

1. Attend an elementary school or secondary school, or

2. Use an educational curriculum other than the curriculum selected by the parent.

VI. AGREEMENT WITH SERVICE PROVIDER

This section left blank for further resources with a potential service provider.

VII. YOUTH DIVERSION COORDINATOR

The Youth Diversion Coordinator for this court is designated as Denise Ray, and is responsible for the following:

1. Determine whether the child is eligible to participate in the plan.
2. Employing strategies authorized by this plan
3. Presenting and maintaining diversion agreements
4. Monitoring diversions
5. Maintaining records regarding whether one or more diversions were successful or unsuccessful.
6. Coordinating referrals to the court.

VIII. DIVERSION AGREEMENT

A diversion agreement must identify the parties to the agreement and the responsibilities of the child and the child's parent to ensure their meaningful participation in a diversion under ***Texas CCP 45.309 or 45.310***.

IX. INTERMEDIATE DIVERSION

A charge referred to in this court, but has not been filed, is eligible for intermediate diversion. The Youth Diversion Coordinator shall advise the child and the child's parents before the case is filed that the case may be diverted under this plan for a period not to exceed 180 days. The child must be eligible under the guidelines in the ***Texas Code of Criminal Procedure and Section III*** of this plan.

X. DIVERSION BY JUDGE

If a charge is filed with the court, and the child is eligible for diversion, the Judge shall divert the case under ***Texas Code of Criminal Procedure 45.310***. The child must be eligible under guidelines in the ***Texas Code of Criminal Procedure and Section III*** of this plan.

XI. REFERRAL TO COURT

The court shall conduct a non-adversarial hearing for a child that does not successfully complete the terms of the diversion, and the case is referred to the court. This hearing is designed for the judge to address the child and the child's parents to determine whether a diversion should be declared unsuccessful by

the court. The court may also hear from any person who may be of assistance to the child for the court to determine what is in the best interests of the child and the long-term safety of the community. The court has options on how to proceed depending on the outcome of the hearing pursuant to ***Texas Code of Criminal Procedure 45.311 – Referral to Court.***

XII. DIVERSION ADMINISTRATIVE FEE

The clerk of this court may collect a \$50 administrative fee to defray the cost of the diversion of the child's case under this plan. However, the fee may not be collected unless specified as a term of the diversion agreement accepted by the child's parent. If the fee is not paid after giving the child's parent an opportunity to be heard, the court shall order the parent, if financially able, to pay the fee to the clerk of the court. The Court shall waive the fee of the child's parent if it is indigent or does not have sufficient resources or income to pay the fee. If the parent is ordered to pay and is determined to have sufficient resources and is not deemed indigent, and fails to pay, this is enforceable against the party by contempt.

XIII. DIVERSION RECORDS – EXPUNGMENT

This plan requires the court to maintain statistical records for each strategy authorized by this chapter. Other than statistical records, all other records generated under this plan and the ***Texas Code of Criminal Procedure*** or confidential pursuant to ***Art. 45.0217 – Texas Code of Criminal Procedure***. All records of a diversion pertaining to a child under this plan shall be expunged without the requirement of a motion or request, on the child's 18th birthday.

XIV. LIABILITY

See ***Texas Code of Criminal Procedure Art. 45.049 (f) and (i)***

The Reality Education for Drivers RED: A Program Overview

- The RED program's primary goal is to steer young drivers toward safer driving habits and away from possible citations while on the road – to drive sober, safely, securely and within the speed limits.

- The core curriculum is designed to help participants change their attitudes about the choices they make, so in turn, they will want to change their behaviors by making better choices when traveling, either behind the wheel or as passengers.

• Motor vehicle crashes are the leading cause of death among 15- to 25-year-olds. According to the National Highway Traffic Safety Administration, this age group continuously has the highest fatality and injury rates.

- Teenagers are involved in three times as many fatal crashes than any other drivers on the road. Watch UR BAC and the RED Program is committed to reducing these numbers of preventable crashes that result in fatalities and serious injuries.

- The statewide RED program is a FREE, five-hour class, focuses on traffic safety and injury prevention for drivers ages 15-25 who have exhibited unsafe behaviors relative to the highest traffic-related risks factors: Impaired, Drowsy and Distracted Driving, Speeding and Seatbelt Misuse.

• Most RED program participants are Class C Misdemeanor traffic offenders referred by Municipal Judges and Justices of the Peace statewide, although receiving a citation is not a RED Program prerequisite.

- Customized class include information-based presentations, guest speakers, educational resources, and interactive discussions about current traffic safety trends. Impactful videos are also used to show the realities of actual traffic incidents and tell the stories of fatalities and serious injuries that have changed lives forever.

Along with the interactive programs provided by Watch UR BAC, WhenSeanSpeaks can be booked for presentations as well. WhenSeanSpeaks (www.whenseanspeaks.com) is a powerful presentation given by Sean Carter and his mother Jenny Carter, as they describe the consequences of getting in the car with a drunk driver and the aftermath of living with a traumatic brain injury.

Relevance

Texas ranked third worst in the nation for alcohol related fatalities and serious bodily injuries, and while thousands are arrested for DWI, law enforcement cannot catch all offenders. Alcohol use is not the only culprit to impaired driving on Texas roadways. Among 12th graders, driving after marijuana use is more common than drinking and driving.

Proposed Position Title Court Coordinator-Juvenile Referee Interpreter

Proposed Grade (Group/Step)	\$20,000-Stipend
Proposed Rate of Pay	50.65
Proposed Classification	Salary Full-Time (40 hours)

Describe the need for the requested reclassification and provide a statistical workload explanation.

Mrs. Luna, our Court Coordinator, merits a salary increase due to her indispensable contributions and unique qualifications that are highly beneficial to Brazos County. She has been a loyal employee for over 20 years, and during this time, she has contributed by becoming a licensed interpreter for the State of Texas. More so, she has benefitted by becoming the sole licensed interpreter in our County. Her expertise obviates the necessity for external interpreters, resulting in significant cost savings for our courts. In addition, to her primary role, Mrs. Luna adeptly handles her own secretarial and administrative responsibilities, demonstrating remarkable efficiency and dedication. It is noteworthy that her compensation for the interpreting being carried by her on a daily basis is not fairly compensated. Just within the past 3 years, Mrs. Luna has saved the County over \$160,000; an average of over \$45,000 a year for the past 3 years. Requiring an interpreter each day for our Courts would take more money and time, such is the case with the (unpredictable) detention hearings that require an interpreter.

Provide five (5) primary or most important functions of this position.

Among much of the duties and responsibilities, Mrs. Luna:

- Directs court staff, including and reviewing work;
- Schedules court proceedings and maintains court calendar, including resolving calendar conflicts for judge, attorneys and litigants with approval of court;
- Acts as a liaison between the judge and general public regarding the court calendar and schedule of settings;
- Coordinates the availability of lawyers, parties, and court personnel in setting the docket;
- Sets and supervises movement of cases and various proceedings;
- Prepares all juvenile dockets;
- Maintains awareness of developments in court activities and reports all delays in case movement;
- Types and prepares paperwork for setting of cases;
- Secures appointment of visiting judges in absence of judge;
- Administrative Secretary and may perform some duties of the court Bailiff
- Interpreting for all Court hearings that require (Spanish translation)

Describe how the reclassification of this position will strengthen and/or benefit the department and Brazos County.

By adjusting Mrs. Luna's compensation, and by giving her a stipend for her translating instead of a Group/Step reclassification change, would be more accurate and reflect her extensive contributions and the essential services she provides, thus would be beneficial, equitable and prudent for the continued effective operation of our court. Brazos County is growing, and fast. The times that Mrs. Luna isn't present due to trainings, vacation or illness, the court has required an interpreter in many occasions. And at times, court proceedings have to be placed on hold until a licensed court interpreter is found. Juvenile detention hearings are time sensitive. Furthermore, all other interpreters have to be called from counties outside of Brazos County, since Mrs. Luna is the only interpreter locally. Thus, finding a replacement for her during these times becomes more costly to Brazos County, taking their rates, and availability into consideration. I'd like to maintain Mrs. Luna's experience and talent as shown throughout all these years. If we want to retain good, experienced and committed employees, she is one that should be compensated for her services provided, nonetheless, considering how the county has benefitted monetarily by not acquiring an interpreter other than her.

By reclassifying this position, will another position(s) be deleted?	No
