Subject: Budget Amendment Request

Nina,

Please create a budget amendment in the non-departmental fund, to increase the budget in the insurance account 61400000 by \$354,699.80. This amount equals the amount needed to cover the current bill as well as 3 additional months to cover the renewal period that will end out the year. I do not know the exact amount of the 3 month cost, however I added 10% to the current year cost to account for any unplanned renewal costs. Hopefully that will be enough.

This budget amendment is to correct an error on my part and is for a past due invoice that was missed, and never paid.

Once again I am so sorry to have caused any inconvenience. This is not ideal I know for everyone. Thank you for all you do.

Thank you!
